The public exercise of basic religious freedoms is increasingly the subject of debate as it pertains to our schools, work places, and access to the public square.

We invite you to join us to learn to:

- Bring together a wide range of religious, community and thought leaders in collaborative support of action oriented religious freedom initiatives
- Facilitate cordial and supportive real-time, interfaith conversations
- Explore and understand the implications of current legal cases
- Discuss and understand the impact of religious freedom on DFW business and the economy
- Develop institutional and individual action plans to support religious freedom in DFW
