

SECOND ANNUAL  
DFW SUMMIT on  
RELIGIOUS FREEDOM  
October 24<sup>th</sup>, 2019  
SMU Hughes-Trigg Student Center

Thank you for registering for the 2<sup>nd</sup> Annual DFW Summit on Religious Freedom. We look forward to seeing you

Thursday, October 24<sup>th</sup>.

9 am- 4pm

Registration opens at 8:00 am

## IMPORTANT PARKING INFORMATION:

SMU is strongly suggesting that you consider public transportation or ride share options, as parking on campus is limited. See information regarding Dart Rail below. Information comes from the SMU Parking Office.

### **Parking:**

Event parking is scheduled on Bishop Blvd. Parking will be on the left side of the street closest to the median and away from the fire lanes on the right. Bishop will hold between 100-120 vehicles. Early arrival is recommended. From SMU "We do not expect to be able to absorb much overflow in the garages so we encourage carpooling, Shared ride or Dart options. We do have some remote parking connected by our SMU Express shuttle in our East campus W Lots 1-4"

### **Parking Permit for dashboard:**

**Ride Sharing:** <https://goo.gl/maps/pish1oejRFaXtYmC8>

**Mobility Impaired:** Drop off for any with disabled or mobility needs is recommended as there is limited disabled parking close to the building and it will likely already be full.

## Riding Dart Light Rail:

DART is an easy green way to get to SMU and avoid all the gas prices, traffic and congestion in the area. DART day passes are just \$7.00 and a trip-planning tool is available on their website ([www.dart.org](http://www.dart.org)) to help you plan your trip to Mockingbird Station.

Once at Mockingbird Station use the free SMU Express Shuttle 768 <http://www.dart.org/riding/mustangexpress.asp> picks up from the bus loading area there, every 15 minutes and drops off on the north end of Bishop Blvd at SMU or on Binkley Ave, just a few yards away from many popular SMU destinations. All of the SMU Express 768 stops are referenced as small red bus icons on the attached campus map.

The 743 Museum Shuttle <http://www.dart.org/rideralerts/fullra.asp?id=1731> is another option if plans include a visit to the Meadows Museum or Bush Presidential Center locations. The shuttle runs every 20 minutes when the museums are open and stops are conveniently located near the buildings.

Bus Route 521 is a great way to get to campus from City Place areas or Uptown •Two buses on route until 9am daily. After 9am one bus runs every hour on the 45 minute of the hour. •On Saturday there is only southbound service route to City Place. •Visit 521 Information Page for maps and details.

<http://www.dart.org/schedules/busschedules.asp?quicksched=521>

DART Biketrans commuting combines the cost-effectiveness of public transit with the health benefits of cycling. It is an earth-friendly alternative to commuting in a single-occupancy vehicle. <http://www.dart.org/riding//bike.asp>

Track the SMU Express shuttle and Museum Shuttle using the doublemap app or website
